- Handcrafted in the affluent Hertfordshire suburb of Harpenden, the beautiful collection of hand wash, lotions, scented candles and other home and body products from **Handmade in Harpenden** is guaranteed to impress this spring. Using sustainable, plant-based ingredients, their beautifully unique range will undoubtedly leave you wanting more. To browse the full collection, including their new scents visit handmadeinharpenden.com and use TATLER15 for 15% off.
- Catarina Dias** is a manual collage and mixed media artist, with a Portuguese soul. Her transcendent pieces and bespoke commissions, mixing realism with spirituality and surrealism, combine her vibrant and colourful early-life recollections with London's cosmopolitan life, inspiring us to reconnect to nature and ourselves. Follow [@catarina_diaz_](https://www.instagram.com/catarina_diaz_) on Instagram and visit her website www.catarinadias.com
- Durso** is a New York based mixed media artist, who pulls his ideas from emotions, current events, design and music. Recently exhibiting at ArtBasel and ArtBasel Miami, The Center for Contemporary Political Art in Washington DC, and international group shows in Venice, Italy. Visit www.rodneymurdo.com and follow [@rodneymurdo](https://www.instagram.com/rodneymurdo) on Instagram.
- From her home studio on the edge of the Cotswolds **Joanne Spencer** handprints limited edition reduction Lino prints. Joanne makes small editions (maximum of 10). The hand printing process results in slight variations between prints, providing you with a unique piece of artwork. Visit her online at www.artbyjoannespencer.com and find her on Instagram [@artbyjoannespencer](https://www.instagram.com/artbyjoannespencer)
- Melanie Poulina** is a self-taught Dutch contemporary artist. Her work is described as colourful, funky with a twist on reality. She has also had several exhibitions at galleries in London. Pictured is: "Blue Nebula" Acrylic on linen 80 x 80 cm. To discuss commissions/sales contact the website: www.melaniepoulina-art.com and follow [@art_by_mel_b](https://www.instagram.com/art_by_mel_b) on Instagram.
- Amanda Holmes Tzafir**'s lyrical art is richly individual. Sensitiveness to the colour and mood of sea and landscape gives her work an extraordinary atmosphere, matched with her masterful fine art technique. Her emotion and acuteness of vision, achieves a beauty and deep significance that distinguishes her modern Romanticism style. Visit her website at www.amandaholmesatzafir.com and follow her on Instagram [@amandaholmesatzafir](https://www.instagram.com/amandaholmesatzafir)
- 'Gertrude' by artist **Jack Frame**, best known for his stunning varieties of flowering cherry blossom portraits painted on gold leaf. An uplifting celebration of the bounties of nature, radiating energy and renewal, the very embodiment of spring. See more at www.jackframe.co.uk
- Fernandos London** is a luxury candle company which uses 100% natural wax. Whether you're enjoying a wine and cheese night or curled up on the sofa with your favourite book or film, the uplifting scents will brighten up your mood. For further details, visit www.fernandoslondon.com and follow [@fernandoslondon](https://www.instagram.com/fernandoslondon) on Instagram.
- Artist **Lorraine Fletcher**, based in Galway in Ireland, creates vivid and fabulously striking contemporary art. Her elegant wildlife-inspired pieces are original and unique artworks composed of acrylic on canvas. Also available is a range of limited edition prints which is then embellished with gold and copper leaf. Add an element of nature to your home and explore her designs of majestic foxes, owls, stags and many more at www.lorrainefletcherartstudio.com and Instagram [@lorrainefletcherartist](https://www.instagram.com/lorrainefletcherartist) Fb: [LorraineFletcherArtStudio](https://www.facebook.com/LorraineFletcherArtStudio)
- Bex Kemp** is an Acrylic and Mixed Media Painter from Milton Keynes. She creates bright, joyful paintings that truly celebrate the human form and the female experience. She strives to empower women to see their own beauty. Her paintings bring life and positivity to any room Visit www.verdadart.com for more.
- Originally from Canterbury, England, **Rachel Turner** is now a Sydney-based abstract artist. On a journey of painting her way back to her authentic self, her work is inspired by a lifelong obsession with sparkly things. Rachel playfully incorporates gold leaf into her paintings; exploring childhood and inner child themes. Discover her [@rachthemagpie](https://www.instagram.com/rachthemagpie) on Instagram and at www.rachthemagpie.com
- The **Premium Collection** presents comprehensive collections of fine furniture, offering the best in luxury home styling. From essential homeware to elegant accessories, their products represent the best of high-quality, contemporary decor. Shop online at www.thepremiumcollection.co.uk and see more on their Instagram [@thepremiumcollection_london](https://www.instagram.com/thepremiumcollection_london)
- Elizabeth Mikellides** creates contemporary art pieces based on musical notation, a practice she calls 'Drawing Music'. A visual translation of Bach's music, Prelude In C is available as a limited edition fine art print of 5. For more information and bespoke services visit www.elizabethmikellides.art or email info@elizabethmikellides.art
- Jenny Chandler** is an American artist working out of her studio in Santa Monica, California. Her art is getting worldwide in publication across the globe. Pictured here is "Breath" 36" x 36" abstract art piece using acrylics. Find more of her work at jennychandlerart.com and on Instagram [@jennychandlerart](https://www.instagram.com/jennychandlerart)
- Rebecca Hardaker** works on canvas or paper, she plays with the interaction between acrylic and oil pastels. Believing in qualities such as balance and rhythm, the colours in her paintings are reflective of a mood or memory. She builds the painting, as her mood changes or the memory develops. Discover online at rebeccahardaker.com and follow [@rebecca_hardaker](https://www.instagram.com/rebecca_hardaker) on Instagram.
- Harts Candle Co** specialises in luxury scented pure soy wax candles and wax melts. Based in rural West Wales each candle and wax melt is handmade with the finest fragrance oils and hand decorated with naturally dried botanicals. Visit www.hartscandleco.com for all enquiries.
- Merossi** combines the sophisticated world of fashion and contemporary decoration. Through its unique concept, it builds an intergenerational bridge where traditional Uzbek silk comes into contact with 21st century modernity. Handbags, cushions and jackets are handcrafted in limited editions to offer only high quality products. Discover these unique collections at merossi.com and follow [@merossi.silk](https://www.instagram.com/merossi.silk) on Instagram.
- Ivy and Co** is a Scottish brand specialising in luxurious, expertly hand poured natural wax candles for a clean and long lasting burn.
